```

An ID-verified FactoryProof inspector took this photo. The moment it was taken, its digital fingerprint, time and location were sealed in a permanent proof record. Anyone can check that record independently, and it can't be changed afterwards.

If you'd like to check it yourself, download the original photo and drop it on the FactoryProof Verify page. Your browser works out the fingerprint, and it should match the one above.

The image shown here is a resized copy, so only the original file will match the fingerprint.
